## De'Longhi S.p.A.

Finalization of the 40% acquisition of Swiss group Eversys, producer of professional coffee makers (see press release of April 12, 2017)

Today the De'Longhi Group has finalized the agreements for the acquisition of 40% of Swiss Group Eversys, active in the professional coffee maker industry, with a focus on the fully automatic models.

The structure and objective of the transaction, as communicated in the press release of April 12, 2017, are confirmed, in particular with regards to the total amount due by De'Longhi, price and shareholder loan, equal to approximately 21 million CHF.

*"We are very pleased with this agreement which opens the doors to the world of professional coffee – Fabio de' Longhi, CEO of the Group, said – and look with enthusiasm at the growth potential of the business, as confirmed by the very positive trend of the first half of 2017".*
