#### 1. POLICY AIMS AND PRINCIPLES

#### 1.1 AIMS

The Remuneration Policy of De' Longhi S.p.A. is defined in accordance with the governance model adopted by the Company and the recommendations of the Corporate Governance Code in order to:

- (i) align the interests of management with those of shareholders, pursuing the primary objective of creating sustainable value over the medium-long term by establishing a strong link between pay and performance;
- (ii) attract, retain and motivate people with the necessary personal and professional qualities to achieve the company's business development objectives, based on competitive company pay packages over the medium/long-term compared to the external market:
- (iii) acknowledge merit in order to adequately place a value on the individual contribution of managers.

These aims historically constitute the fundamental point of reference for the definition of the compensation policies of the Issuer and of the De' Longhi Group.

#### 1.2. GENERAL PRINCIPLES

In view of the aforementioned aims, the compensation of Directors, Statutory Auditors, General Manager (if appointed) and Key Managers with Strategic Responsibilities is defined in accordance with the following principles and criteria:

- compensation of non-executive Directors is proportionate to the commitment required also with regard to participation in board committees;
- adequately balanced compensation structure for directors with executive powers, the General Manager (if appointed) and any other Key Managers with Strategic Responsibilities in order to ensure the essential coherence between short-term development objectives and sustainability in the creation of value for shareholders over the medium/long-term; more particularly, the compensation structure consists of:
- (i) a <u>fixed component</u> which is appropriate for the powers and/or responsibilities assigned;
- (ii) a <u>variable component</u> defined with maximum limits and aimed at remunerating performance expected over the medium/long-term;
- consistency of the total compensation (for each type of position) compared to those on the market which are applicable for similar positions and for the importance of the selected competition panel, through specific salary comparison analyses, also conducted with the support of leading consulting firms;
- objectives connected with variable compensation which are pre-determined, measurable and defined in such a way as to ensure, through vesting periods and varied parameters, the compensation of performance over the short- as well as the medium/long-term and based on the results achieved;

- periodic review of pay packages based on overall company and personal performance, the potential for future development of the individual and the competitiveness and attractiveness of salaries compared to market values;
- different modulation between the annual fixed component and short-term variable compensation (MBO) with regard to the nature of the position held in the company and the responsibilities assigned in order to ensure the sustainability of the business results and the creation of value for shareholders over the medium-long term;
- benefits in line with the relevant salary market practices and consistent with local regulations in order to complete and enhance the total compensation package taking the positions and/or assigned responsibilities into account.

#### 1.3 Scope of Application

The Policy sets out the principles and guidelines which the Company follows and applies to Directors, Statutory Auditors, the General Manager (if appointed) and Key Managers with Strategic Responsibilities.

They are the Chief Financial Officer, the Chief Strategy and Control Officer, the Chief Corporate Services Officer, the Chief Operations and Technology Officer, the Chief Marketing Officer and the Chief Commercial Officer.

The Policy has been prepared in line with the contents of the Issuers' Regulation and in consideration of the recommendations on compensation contained in the Corporate Governance Code as most recently amended in the July 2015 edition.

Companies directly and indirectly controlled by De' Longhi determine their compensation policies by applying principles and guidelines similar to those of the Company.

The Remuneration Policy is defined after a formalized process (described in section 2.3) involving the Remuneration and Appointments Committee, the Board of Directors and the Group's Human Resources & Organisation Department.

#### 2.2 REMUNERATION AND APPOINTMENTS COMMITTEE

De' Longhi's *Remuneration and Appointments Committee* (also the "**Committee**" or "**Remuneration and Appointments Committee**") was set up by the Company's Board of Directors within the Board itself with resolution dated 1st March 2007.

The Remuneration and Appointments Committee currently in office for the three-year period 2016-2017-2018 was appointed by the Board of Directors at the meeting held on 14th April 2016 and, in line with the recommendations contained in the July 2015 edition of the Corporate Governance Code, is composed of the following non-executive directors, the majority of whom are independent:

- PROF ALBERTO CLÒ independent director who acts as Chairman;
- Cristina Pagni independent director;
- CARLO GARAVAGLIA director.

In accordance with the principles of corporate governance, the composition of the Committee currently in office guarantees the presence of persons who, in consideration of their professional experience, possess the necessary knowledge and experience in financial matters as well as remuneration policies, since the majority of its members have served on remuneration committees of other listed companies.

At the meeting held on 14th April 2016, the Board of Directors also assigned the responsibilities to the Committee in accordance with framework resolution on corporate governance adopted by the Board of Directors on 18th December 2012 in compliance with Art. 7 of the Corporate Governance Code and the provisions of application criteria 5.C.1 of the same Corporate Governance Code (for a list of the individual functions assigned to the Committee, please see section 2.1 of this Report).

The work of the Remuneration and Appointments Committee is coordinated by the Chairman and the meetings are minuted and the minutes are entered into the appropriate book.

In compliance with the governance principles, no Director takes part in the Remuneration and Appointments Committee meetings where the proposals to be submitted to the Board of Directors regarding their compensation are prepared.

In the performance of its duties, the Committee has the authority to access the information and business functions necessary for the execution of its duties, and to avail itself of external consultants.

It should be noted that the Board of Directors has not allocated an *ad hoc* budget for the Remuneration and Appointments Committee, but from time to time, when the Committee deems it necessary or appropriate to use external consultants, the Company makes the resources necessary to perform its duties available to the same. In the case of recourse to external consultants, the Remuneration and Appointments Committee first verifies that the same are not in a position that would compromise their independence of judgement.

#### Activities carried out in 2016

During 2016 the Compensation and Appointments Committee met 4 (four) times in total: on 26th January, 16th February, 29th February and 5th May 2016 with an attendance of 100% of its members and for an average duration of 1 hour 40 minutes for each meeting. At least one member of the Board of Statutory Auditors attended all the meetings of the Remuneration and Appointments Committee. More specifically, representing the Board of Statutory Auditors, the Chairman attended 3 (three) of the four (4) Committee meetings, and the entire Board of Statutory Auditors attended 1 (one) meeting. All the Committee meetings were attended, at the invitation of the Chairman, by the Group's Chief of Human Resources who acted as Secretary of the Committee. Some of the Remuneration and Appointments Committee meetings were attended by non-members who were invited by the Committee for specific items on the agenda.

The Committee was mainly involved in the following activities during 2016: (i) progress of the works to prepare the Stock Options Plan reserved for the Group's top management and key people; (ii) approval of the rules governing the Stock Options Plan

2016-2022; (iii) start of preparatory work for the definition of the Company's remuneration policy for 2016, under Art. 123-ter of the TUF; (iv) assessment of the fairness, overall consistency and practical application of the remuneration policy to directors and Key Manager with Strategic Responsibilities adopted for the year 2015; (v) definition of the Company's remuneration policy for 2016, under Art. 123-ter of the TUF to be submitted to the Board of Directors and, then, to the non-binding vote of the Shareholders' Meeting; (vi) verification of the degree to which the performance objectives defined for the year 2015 and correlated to the MBO have been achieved (related to the employment relationship as the Company's Key Manager with Strategic Responsibilities and to the term of office as the Chief Executive Officer) of the Vice Chairman as well as the Chief Executive Officer and Key Manager with Strategic Responsibilities - Fabio de' Longhi; (vii) preparation of an opinion of the Board of Directors on its size and composition, also in terms of the professionals whose presence is considered appropriate; (viii) determination of the proposed remuneration for Executive Directors under Art. 2389, paragraph 3, of the Italian Civil Code; (ix) the Stock Options Plan 2016-2022: preparation of the proposal regarding the number of options to assign to the CEO, Fabio de' Longhi.

In the first months of this financial year the Committee has met three times (11th January, 9th February and 1st March 2017) and carried out the following activities: (i) proposal for defining Silvia de' Longhi's remuneration as the De'Longhi Group's Chief Corporate Services Officer; (ii) the start of work to prepare the Company's remuneration policy for 2017, under Art. 123-ter of the TUF, to be submitted for the approval of the Board of Directors and, then, to the non-binding vote of the Shareholders' Meeting; (iii) assessment of the fairness, overall consistency and practical application of the remuneration policy to directors and Key Managers with Strategic Responsibilities adopted for the year 2016; (iv) continuation of work to prepare the Company's remuneration policy for 2017, referred to in point (ii); (v) verification of the degree to which the performance objectives defined for the year 2016 and correlated to the MBO have been achieved (related to the employment relationship as the Company's Key Manager with Strategic Responsibilities and to the term of office as the Chief Executive Officer) of the Vice Chairman as well as the Chief Executive Officer and Key Manager with Strategic Responsibilities and preparation of the proposed payment of bonuses to the Board of Directors; (vi) definition of the performance objectives to which the MBOs for 2017 will be linked (related to the employment relationship as Key Manager with Strategic Responsibilities and to the term of office as the Chief Executive Officer) of the Vice Chairman as well as the Chief Executive Officer and Key Manager with Strategic Responsibilities.

#### 2.3 Independent experts involved in the preparation of the Policy

The remuneration structure envisaged by the Policy was defined by the Company also based on market remuneration benchmarks (for companies considered comparable) produced by the consulting firm Mercer Italy S.p.A., which provided methodological support and market benchmarks on Execution Compensation. De'Longhi also monitors market trends and best practices.

#### 2.4 PROCESS FOR DEFINING AND APPROVING THE POLICY

The Remuneration Policy is submitted to the approval of the Board of Directors each year upon the proposal of the Remuneration and Appointments Committee. To draft the Policy the Remuneration and Appointments Committee is assisted by the Group's Human Resources & Organisation Department in order to collect market data in terms of practices, policies and benchmarking to be used to better prepare the policy, and, as already specified in section 2.3, also involves, where necessary, independent experts.

De' Longhi's Board of Directors, having examined and approved the Policy, submits it – in compliance with the provisions of Art. 123-*ter* of the TUF – to the non-binding vote of the Shareholders' Meeting, and makes it available at least 21 days before the Meeting is convened.

In order to the prepare this Policy, the Compensation and Appointments Committee has defined - as part of its duties - the structure and contents of the same in the meeting held on 11th January 2017, 9th February 2017 and 1st March 2017.

This Policy was then approved by the Board of Directors, upon the proposal of the Remuneration and Appointments Committee, in the meeting held on 2nd March 2017, at the same time as the approval of this Remuneration Report.

\* \* \*

#### 3. DESCRIPTION OF THE POLICY

The main features of the Remuneration Policy are highlighted below, in terms of the elements of the pay package and their determination, for the various offices identified by the provisions and regulations in force as well as for Other Executives.

#### 3.1 REMUNERATION OF MEMBERS OF THE BOARD OF DIRECTORS

Among the members of the Board of Directors it is possible to distinguish between:

- Executive Directors vested with special duties who can also be assigned specific functions ("Executive Directors");
- Directors not vested with special duties ("Non-Executive Directors").

The assignment of powers to directors for emergencies only is not sufficient, in itself, for them to be identified as Executive Directors.

In the Board of Directors in office on the date of this Report it is possible to identify as:

- Executive Directors: Giuseppe de' Longhi (Chairman), Fabio de' Longhi (Vice Chairman and the Company's Chief Executive Officer and Key Manager with Strategic Responsibilities) and Silvia de' Longhi (Director and Key Manager with Strategic Responsibilities in relation to her role as the Group's Chief Corporate Services Officer);
- Non-Executive Directors: the directors Alberto Clò, Luisa Maria Virginia Collina, Renato Corrada, Carlo Garavaglia, Cristina Pagni, Stefania Petruccioli, Giorgio Sandri and Silvio Sartori.

Pursuant to Art. 2389 of the Italian Civil Code, the compensation of all the members of the Board of Directors is determined at the time of their appointment: the Shareholders' Meeting sets the gross annual compensation for each director for their term of office.

The Shareholders' Meeting held on 14th April 2016 set the annual gross compensation of each member of the Board of Directors appointed for the three-year period 2016-2018 at € 45,000.00 and authorised the Board of Directors to define any further compensation for directors vested with special duties in accordance with the memorandum of association, pursuant to Art. 2389, third paragraph of the Italian Civil Code.

The members of the Board of Directors are reimbursed for documented expenses incurred in carrying out their duties.

#### 3.1.1 REMUNERATION OF NON-EXECUTIVE DIRECTORS

In addition to that described in subsection 3.1 above, the Remuneration Policy for the Company's Non-Executive Directors provides, in compliance with the principles of corporate governance, the allocation of a fixed compensation and/or predetermined fees for attending committees established within the Board of Directors which is set by the Board.

The Board of Directors meeting held on 14th April 2016 set the fees for the three-year period 2016-2018 for participating in the meetings of committees set up within the Board. The following fees were set:  $(i) \in 1,500$  for the Chairmen and  $(ii) \in 1,000$  for the other members, for each meeting they attend of the committee they belong to.

In line with the best practices, no variable component of the compensation is envisaged for Non-Executive Directors.

#### 3.1.2 REMUNERATION OF EXECUTIVE DIRECTORS

The Remuneration Policy for De' Longhi's Executive Directors envisages, in addition to that described in subsection 3.1.1 above, acknowledgement of additional compensation determined according to the office held and the respective responsibilities.

This compensation is set, in accordance with Art. 2389, third paragraph of the Italian Civil Code, by the Board of Directors upon the proposal of the Remuneration and Appointments Committee after having heard the opinion of the Board of Statutory Auditors.

In order to define this compensation, the Remuneration and Appointments Committee assesses the trend of the results achieved and the positioning of the Executive Directors' total compensation package in relation to market values for similar position taken from a representative sample of leading companies (also listed companies) operating in the sector the Company belongs to (or related and/or similar sectors), or in other business contexts.

The compensation of Executive Directors provides for:

- (i) a <u>fixed component</u> which guarantees adequate and definite basic compensation for the work of executive directors as recompense for the position held in terms of breadth of responsibilities and impact on the business, reflecting the experience, skills and competencies required for each position, as well as the level of excellence demonstrated and the overall quality of the contribution to the business results. The work of the executive directors cannot be compensated with only variable instruments which could lead to zero pay-out in the event of adverse market conditions not ascribable to the directors themselves;
- (ii) a <u>variable component</u> linked to the achievement of economic/financial results, any other specific pre-determined and measurable objectives (namely those linked to the increase of De'Longhi's share value on the Italian Mercato Telematico Azionario) and such as to ensure interest in pursuing value creation for the shareholders in the short and medium-long term. There is a partial deferment of the amounts accrued.

In line with the provisions of the Corporate Governance Code for listed companies which the Company has adopted, "claw-back" clauses will be applied at contract level to the variable component of the Compensation for Executive Directors, which envisage the possible restitution of all or part of the amounts paid, or the non-payment of compensation accrued but not yet paid, if they have been determined based on data that in the following three years prove to be manifestly incorrect.

The relationship between the fixed and variable components in the total package is structured in such a way that it focuses management's attention on growth and sustainability of the results over the medium term, reducing the risks of unbalanced trends in the short term.

In the case where the Executive Directors have an existing employment relationship, they enjoy non-monetary benefits similar to those envisaged for the Company's Other Executives.

#### a) Chairman of the Board of Directors

In application of the guidelines outlined above, the compensation of the Chairman of the Board of Directors in office on the date of this Report is broken down into:

- a gross annual *fixed component* set:
- (i) by the Shareholders' Meeting, in relation to his function as a member of the Board of Directors at the time of appointment;
- (ii) by the Board of Directors, upon the proposal of the Remuneration and Appointments Committee and having heard the opinion of the Board of Statutory Auditors, in relation to the powers assigned to him under Art. 2389, third paragraph, of the Italian Civil Code.

The Chairman's current compensation does not include a variable component, owing to the express waiver of the party concerned.

## b) <u>Vice Chairman, Chief Executive Officer and Key Manager with Strategic Responsibilities</u>

In application of the guidelines illustrated above and in consideration of the employment relationship with the Company, the compensation of the Chief Executive Officer in office at the date of this report (recently identified by the Company's Board of Directors on 2nd March 2017 as a Key Manager with Strategic Responsibilities, in relation to the existing employment relationship with the Company as manager) is broken down into:

#### • a gross annual *fixed component* set:

- (i) by the Shareholders' Meeting, in relation to his function as a member of the Board of Directors at the time of appointment;
- (ii) by the Board of Directors, upon the proposal of the Remuneration and Appointments Committee and having heard the opinion of the Board of Statutory Auditors, in relation to the powers assigned to him under Art. 2389, third paragraph, of the Italian Civil Code;
- (iii) by the Board of Directors upon the proposal of the Remuneration and Appointments Committee and after having heard the opinion of the Board of Statutory Auditors, in relation to the current employment relationship as a manager with strategic responsibilities with the Company;
- a gross annual <u>variable component</u> (MBO) set by the Board of Directors, upon the proposal of the Remuneration and Appointments Committee and having heard the opinion of the Board of Statutory Auditors, in relation to:
  - (i) the office of Chief Executive Officer attained when the predefined company objectives have been reached (in 2017 up to a maximum of 60% of the fixed component assigned by the Board of Directors for the powers granted pursuant to Art. 2389, third paragraph, of the Italian Civil Code);
  - (ii) the employment relationship as a Key Manager with Strategic Responsibilities of the Company, attained when predefined company objectives are reached (in 2017 equal to 31.25% up to a maximum of 62.5% of the GAC if performance exceeds the budget EBITDA and Net Revenues);

#### • a medium-long term variable component

- (i) set by the Board of Directors, upon the proposal of the Remuneration and Appointments Committee and having heard the opinion of the Board of Statutory Auditors, relating to the employment relationship as a Key Manager with Strategic Responsibilities, using the participation in the "LTI Cash" incentive plan for the three-year period 2015-2017 approved by the Board of Directors, upon the proposal of the Remuneration and Appointments Committee and with the favourable opinion of the Board of Statutory Auditors, on 11th November 2015. This LTI awards a predetermined incentive correlated to the position held in the business organization and the Gross Annual Compensation in effect at the time the Plan was approved.
- (ii) set by the Board of Directors, upon the proposal of the Remuneration and Appointments Committee and having heard the opinion of the Board of Statutory Auditors, relating to the term of office of the Company's CEO, using the participation in the Stock Options Plan approved by the Shareholders'

Meeting held on 14th April 2016; this Plan awards a predetermined number of options correlated to the position held in the business organisation.

The amounts accrued for the variable component of the remuneration are subject to a partial deferment which is limited to the medium-long term variable component deriving from the LTI Cash Plan and the Stock Option Plan.

### c) <u>Director and Manager with Strategic Responsibilities in relation to the role of</u> the Group's Chief Corporate Services <u>Officer</u>.

In application of the guidelines illustrated above and in consideration of the employment relationship with the Group, the compensation of the Director and Chief Corporate Services Officer in office at the date of this report (recently identified by the Board of Directors of the Company on 2nd March 2017 as a Key Manager with Strategic Responsibilities) is broken down into:

- a gross annual <u>fixed component</u> set:
  - (i) by the Shareholders' Meeting, in relation to her function as a member of the Board of Directors at the time of appointment;
  - (ii) by the Board of Directors upon the proposal of the Remuneration and Appointments Committee and after having heard the opinion of the Board of Statutory Auditors, in relation to the current employment relationship as a manager with strategic responsibilities;
- a medium-long term *variable component* 
  - (i) set by the Board of Directors, upon the proposal of the Chief Executive Officer and having heard the opinion of the Board of Statutory Auditors, relating to the employment relationship as a Key Manager with Strategic Responsibilities, using the participation in the Stock Options Plan approved by the Shareholders' Meeting held on 14th April 2016; this Plan awards a predetermined number of options correlated to the position held in the business organisation.

The amounts accrued for the variable component of the compensation are subject to a partial deferment.

## 3.2 Remuneration of Key Managers with Strategic Responsibilities and Other Executives

Remuneration of the Key Managers with Strategic Responsibilities and of the Other Executives of the Company consists of the following elements:

• a *gross annual fixed component* ("GAC") which is defined according to the chosen positioning compared to the reference market, the levels of responsibilities and complexities managed, as well as the individual's professional skills, experience and development potential.

This compensation component is adjusted over time, in accordance with the market developments, by assessing the abilities and professional skills acquired and mainly the results produced and potential developed;

- a <u>gross annual variable component</u> ("MBO") awarded once predefined business objectives are achieved, defined in quantitative terms with regard to the position held in the company (for further details, see section 3.4) to be paid without deferment of any amounts accrued.
- a <u>medium/long-term variable component</u>, through participation in (i) the LTI Cash plan which envisages the issuing of monetary bonuses once predefined medium/long-term quantitative objectives are reached and, possibly, (ii) the Stock Options Plan approved by the Shareholders' Meeting held on 14th April 2016, which does not envisage further objectives other than the increase of De'Longhi's share value on the stock exchange (for further details, see section 3.5 of this Report).

The amounts accrued for the variable component of the compensation are subject to a partial deferment which is limited to the medium-long term variable component.

In line with the provisions of the Corporate Governance Code for listed companies which the Company has adopted, the variable components of the remuneration of Key Managers with Strategic Responsibilities other than Company Directors attributed starting from 2017 are subject to the application of "claw-back" clauses at contract level, which envisage the possible restitution of all or part of the amounts paid, or the non-payment of compensation accrued but not yet paid, if they have been determined based on data that in the following three years prove to be manifestly incorrect.

As for the Executive Directors, the fixed component of the compensation recompenses the position held in terms of breadth of responsibilities and impact on the business also for the Key Managers with Strategic Responsibilities and for the Other Executives, reflecting the experience, skills and competencies required for each position, as well as the level of excellence demonstrated and the overall quality of the contribution to the business results.

The variable component of the compensation is designed to recognise the results achieved by management, establishing a link between pay and performance. The incentives reward the achievement of objectives, both in terms of quantity and quality, defining the payment of a variable bonus. There are fixed upper limits on the annual variable component of the compensation linked to monetary systems (annual MBO and LTI Cash incentive system).

With regard to the importance and critical nature of the position held in the Company, De' Longhi can enter Non-Competition Agreements and/or Stability Agreements with the Key Managers with Strategic Responsibilities and Other Executives which provide for the awarding of a predetermined amount in relation to the duration and extent of the restrictions contained in the agreements.

## 3.2.1 REMUNERATION OF THE MANAGER RESPONSIBLE FOR DRAFTING THE COMPANY ACCOUNTS (FINANCIAL REPORTING MANAGER)

The compensation of the Financial Reporting Manager is determined, in compliance with the above guidelines, in line with the tasks assigned to him.

The rationale behind the awarding and determination of such compensation corresponds to that regarding the compensation for Key Managers with Strategic Responsibilities and Other Executives.

## 3.2.2 REMUNERATION OF THE MANAGER RESPONSIBLE FOR THE INTERNAL AUDIT FUNCTION (INTERNAL AUDIT MANAGER)

The compensation of the Internal Audit Manager is defined, in line with the tasks assigned to him, by the Board of Directors, upon the proposal of the Director responsible for the Internal Control and Risk Management System and having heard the opinion of the Control and Risks Committee and the Board of Statutory Auditors.

The rationale behind the awarding and determination of such compensation does not differ from that regarding the compensation for Other Executives.

#### 3.3 SHORT-TERM INCENTIVES: ANNUAL VARIABLE COMPONENT (MBO)

MBO represents the annual variable component of the compensation paid once short-term predefined (quantitative or qualitative) business objectives are reached.

As a rule the quantitative objectives are linked to an incentive scale which expresses the bonus matured in relation to the degree the objective has been achieved. It envisages minimum values, under which the Company does not pay the incentive, and maximum values above which the Company will always pay the amount, namely the maximum percentage decided.

The MBO objectives set for the Vice Chairman, Chief Executive Officer and Key Manager with Strategic Responsibilities are linked to economic and financial indicators or specific projects, in accordance with the general principles laid down by this Policy (described in section 1.2 above), and in particular:

- i) in relation to the CEO's term of office, these are:
- Group's budget Net Revenues 2017 (30% weight)
- Group's budget EBITDA 2017 (30% weight)
- ii) In relation to his employment relationship as a Key Manager with Strategic Responsibilities, these are:
- Group's budget Net Revenues 2017 (30% weight)
- Group's budget EBITDA 2017 (30% weight)
- Operating Cash Flow (20% weight)
- Extraordinary Activities and Projects 2017 (20% weight)

The MBO objectives, defined in accordance with the principles laid down in this Remuneration Policy by the Chief Executive Officer (upon the instructions of the Board of Directors), are linked to economic and financial quantities or specific projects; more specifically:

(i) for other Key Managers with Strategic Responsibilities, these are:

- Group's budget Net Revenues, EBITDA and Operating Cash Flow 2017 (60% weight)
- specific activities / projects 2017 of the different business functions connected with the budget approved by the Company's Board of Directors (40% weight).

(ii) for other Executives, these are:

- Group's budget Net Revenues, EBITDA and Operating Cash Flow 2017 (40% weight)
- specific activities / projects 2017 of the different business functions connected with the budget approved by the Company's Board of Directors (60% weight).

The weight of the MBO (expressed as a percentage) linked to the short-term results with respect to the fixed component:

- (i) for the Vice Chairman, Chief Executive Officer and Key Manager with Strategic Responsibilities, in relation to his office as Chief Executive Officer, it is equal to a maximum of 60% of the gross annual fixed component approved by the Board of Directors, upon the proposal of the Remuneration and Appointments Committee and having heard the opinion of the Board of Statutory Auditors, in relation to the powers assigned to him under Art. 2389, third paragraph, of the Italian Civil Code;
- (ii) for the Vice Chairman and Company's Chief Executive Officer and Key Manager with Strategic Responsibilities, in relation to the employment relationship as a Key Manager with Strategic Responsibilities of the Company, it is equal to 31.25% of the relevant GAC (up to a maximum of 62.50% if performance exceeds the budget EBITDA and Net Revenues values);
- (iii) for other Key Managers with Strategic Responsibilities, where present, it is between 25% and 50% of the GAC (up to a maximum of 62.50% if performance exceeds the budget EBITDA and Net Revenues values);
- (iv) for the Other Executives of the Company it is roughly between 15% and 30% of the GAC.

#### 3.4 MEDIUM/LONG-TERM INCENTIVES

The medium/long-term incentives are the medium/long-term variable component of compensation.

#### 3.4.1 LTI CASH PLAN 2015-2017

• In the meeting held on 11th November 2015 the Board of Directors approved, upon the proposal of the Remuneration and Appointments Committee and with the favourable opinion of the Board of Statutory Auditors, an incentive plan for the Vice Chairman and Chief Executive Officer and Key Manager with Strategic Responsibilities of the Company and for some Other Executives of De'Longhi and other companies in the

Group, linked to the achievement of objectives of the Group's multi-year business plan for the three-year period 2015 - 2017 approved by the Board of Directors on 21st September 2015.

The above plan:

- (i) is intended for a limited number of participants selected by the Board of Directors, upon the proposal of the Chief Executive Officer, having heard the opinion of the Remuneration and Appointments Committee and the Board of Statutory Auditors;
- (ii) envisages the payment of cash sums once the approved performance conditions have been achieved (EBITDA, cumulative EBITDA and corrective factor linked to the level of working capital) and therefore is not based on shares or other financial instruments connected to the shares:
- (iii) does not envisage sums guaranteed for merely maintaining the employment relationship with the Company or with a company in the Group;
- (*iv*) envisages that any sums accrued are paid to beneficiaries in two instalments: 50% in May 2018 and the remaining 50% in December 2018, with a deferment deemed consistent with the nature of the business carried out and with the related risk profiles;
- (v) it also envisages an incentive scale which expresses the bonus accrued in relation to the degree the objective has been achieved. It envisages minimum values, under which the Company does not pay the incentive, and maximum values above which the Company will always pay the amount, namely the maximum percentage decided.

Considering that the vesting period for the LTI Cash Plan 2015-2017 expires on 31st December 2017, during the financial year the Remuneration Committee plans to work on preparing a new incentive system for the Executive Directors, Key Managers with Strategic Responsibilities and/or some Other Executives of De' Longhi and of the other companies in the Group, possibly connected with the achievement of objectives in the Group's business plan for the three-year period 2018 - 2020, which will be submitted for the approval of the Board of Directors or the Shareholders' Meeting depending on the type of plan adopted.

#### 3.4.2 SHARE-BASED COMPENSATION PLANS

The Shareholders' Meeting held on 14th April 2016 approved, upon the proposal of the Board of Directors and the Remuneration and Appointments Committee and with the favourable opinion of the Board of Statutory Auditors, a Stock Options plan for the Company's Chief Executive Officer and the Group's Top Management associated with an increase in the Share value on the Mercato Telematico Azionario. The above plan envisages:

- (i) the assignment of up to a maximum of 2,000,000 options at no charge (the "Options") that attribute the beneficiaries the right to subscribe, for each option held, one share in the Company at a unit price of €20.4588 (the arithmetical average of the official prices recorded for the Shares on the Mercato Telematico Azionario organised and managed by Borsa Italiana S.p.A. in the 60 calendar days before the date for the approval of the plan and its rules by the Company's Shareholders' Meeting).
- (ii) that, except for specific cases governed by the Rules for the Plan, the Options assigned to each beneficiary can be exercised, in one or more tranches, as follows:

- 50% in the period from 15 May 2019 to 31 December 2022 (and more precisely within one or more of the following intervals: 15 May 15 July; 1 September 15 October; 15 November 15 January);
- the remaining 50% in the period from 15 May 2020 to 31 December 2022 (and more precisely within one or more of the following intervals: 15 May 15 July; 1 September 15 October; 15 November 15 January);
- (iii) for an overall duration of 7 years and will in any case end on 31 December 2022.

At the meetings of the Board of Directors held on 28th July 2016 and 16th February 2017, the Board resolved to attribute 300,000 options to the Chief Executive Officer and, upon the proposal of the latter, 1,700,000 options shared between the other Key Managers with Strategic Responsibilities and Other Executives of De'Longhi and other companies in the Group.

Exercise of the Options is not subject to the achievement of performance objectives by the beneficiaries. Considering that (i) the general long-term variable remuneration structure of the CEO, the executives and Key Resources of the De' Longhi Group - the potential beneficiaries of the Stock Option Plan - already envisages a long-term monetary incentive plan, conditional upon achieving the performance objectives linked to the De' Longhi Group's business plan; (ii) the nature of the Stock Option Plan encompasses the concept of the share's performance, the Board of Directors, upon the proposal of the Remuneration and Appointments Committee, has decided not to subject the Options' vesting and their exercise to further and/or different performance conditions other than the increase of De' Longhi share prices on the stock exchange, and therefore not applying the recommendation referred to in Criteria 6.C.2 (b) of the Corporate Governance Code to the Stock Option Plan.

Shares issued to the beneficiary under the exercise of the Options will be freely available and therefore freely transferrable by the same. The Stock Option Plan does not envisage for the CEO or the key managers with strategic responsibilities who may be the beneficiaries of the Plan any restrictions to retain, until the end of the mandate or for an appropriate set time respectively, a portion of the Shares purchased by exercising the Options (lock-up restriction recommended by criteria 6.C.2 (c) of the Corporate Governance Code).

On this point the Board of Directors, upon the proposal of the Remuneration and Appointments Committee, has decided not to apply the recommendation under criteria 6.C.2 (c) of the Corporate Governance Code to the Stock Option Plan, given the long-standing relationship between the Company and the Top Management, beneficiary of said plan, and the Board having already arranged a vesting schedule for the exercise of the Options over intervals of time.

With regard to the application of the lock-up restriction to the CEO, the Board of Directors has determined that, even in this case, there is no need to envisage this restriction, considering that Fabio de' Longhi has undoubtedly a well-established and long-standing relationship with the Company and the De' Longhi Group, such that he needs no motivation to remain in his position owing to the obligation to retain (in part) a portion of any Company Shares purchased by exercising the Options. It has also been noted that the CEO already directly holds his own share in De' Longhi S.p.A's share capital (and has done for some time) which is known to the market.

For the description of the "Stock Options Plan" please refer to the "Directors' report on the fifth item on the agenda for the ordinary part of the Meeting of Shareholders of De' Longhi S.p.A. convened in ordinary and extraordinary sessions for 14 April 2016, in a single call" and to the Information Document prepared pursuant to Art. 114-bis of the TUF and Art. 84-ter of the Issuers' Regulation, attached thereto, available on the Company's website <a href="www.delonghigroup.com">www.delonghigroup.com</a>, "Governance" – "Annual Shareholders' Meeting" – "2016".

#### 3.5 Non-monetary benefits

The compensation for the Chairman and Vice Chairman as well as the Chief Executive Officer and Key Manager with Strategic Responsibilities, other Key Managers with Strategic Responsibilities and Other Executives of the Company includes various types of non-monetary benefits.

Company policy with regard to non-monetary benefits not arising from legal obligations or the national collective agreement (CCNL), envisages:

- the assignment of company cars for employees' use (including personal use), including different categories/values of car depending on the position held in the company. The Company charges each employee an annual amount inclusive of VAT for the personal use of the vehicle for the year 2017 of € 1,743.96, and ensures that tax and social security contributions are applied to any residual amount of the benefit;
- FASI insurance coverage for reimbursement of additional medical expenses for the executive and his/her family unit;
- travel insurance;
- insurance for permanent disability due to disease (IPM).

In view of specific personal circumstances, the compensation package for some of the other Key Managers with Strategic Responsibilities and Other Executives includes the provision of accommodation at the expense of the Company (which, as a benefit, is duly subject to taxation and social security contributions).

## 3.6 Indemnity in the event of resignation, dismissal without just cause or termination of employment following a public takeover bid

For Non-Executive Directors and for the Chairman, Vice Chairman and Chief Executive Officer and for the Chief Corporate Services Officer (also with regard to the existing employment relationships as Key Managers with Strategic Responsibilities) no indemnity is envisaged in the event of termination of office for any reason.

For the other Key Managers with Strategic Responsibilities and Other Executives individual agreements may be envisaged which regulate *ex ante* the economic aspects arising from early termination of employment by the Company or for any other cause, except as provided for in any non-competition agreements.

At the date of this Report no indemnities have been formalised in the event of termination of office for any reason for the non-Executive Directors, the Chairman, the Vice Chairman and CEO (also with regard to the existing employment relationship as a Key Manager with Strategic Responsibilities) in office or for the Other Executives.

#### 3.7 REMUNERATION OF MEMBERS OF THE BOARD OF STATUTORY AUDITORS

At the date this Report is drafted the Board of Statutory Auditors of De' Longhi S.p.A. is composed as follows:

- CESARE CONTI (Chairman)

- GIANLUCA PONZELLINI- PAOLA MIGNANI(Standing Auditor)(Standing Auditor)

The Board of Statutory Auditors of De'Longhi S.p.A in office until 14th April 2016, appointed with the resolution of the Shareholders' Meeting on 23rd April 2013, was composed as follows:

- GIANLUCA PONZELLINI (Chairman)

- PAOLA MIGNANI (Standing Auditor)- ALBERTO VILLANI (Standing Auditor)

The compensation of the standing members of the Board of Statutory Auditors is determined by the Shareholders' Meeting following the proposal of the Board of Directors or by the same shareholders and consists of a gross annual fixed component.

On 14th April 2016 the Shareholders' Meeting set, for the three-year period 2016-2018, the annual compensation of the Chairman of the Board of Statutory Auditors at € 61,900.00 gross per annum and the compensation of each of the two standing members at € 41,300.00 gross per annum.

The same remuneration was set for the three-year period 2013-2015 by the Shareholders' Meeting held on 23rd April 2013.
